

August 09, 2020 – Minnekhada Regional Park

It was a beautiful sunny day. Seven of BOCers met at 9am at the Minnekhada Regional Park parking lot by Quarry road. This hike is situated in Coquitlam. Only 30 minutes drive from Burnaby. We were rewarded with beautiful mountain scenery with reflection on the water. We hiked up to the High Knoll Lookout to enjoyed the good view of Pit River and the Minnekhada Marsh. At 11am, Gerard lead us to another view point where we had our lunch. On the way back, we saw ma-ma bear and baby bear. The ma-ma bear was swimming in the marsh. A great way to cool down during hot Summer day. At 1:30pm, we were back to our parking lot and finished our lovely hike. Thanks to Gerard for co-leading the hike.
