Saturday, February 12, 2022

This outing event went as a plan on the schedule with a beautiful weather. On Saturday, Feb 12th at 10 am when

11 of us meet at Edmonds sky train pick up area.

We were very happy and lucky to have such a present weather (Sunny with blue sky) for outing.

Briefly introduced each other, we started our walk from Edmonds sky train station to explore Bryne Creek Ravine Park. As we continue our journey, we stopped at Ron McLean Park for short water break. Then we followed BC parkway and some quiet streets toward New Westminster Quay. As we strolled along together, we saw some nice houses and railway tracks nearby and some beautiful scenic. We finished our walk at the River Market, for people who like to have lunch at the Quay and continue to enjoy the scenic view nearby with the beautiful day which God given to us.
