to me, Jim

2024 was the 30th anniversary of the BOC's first Polar Bear Swim, which occurred January 1, 1994 at English Bay Beach.

On a mild sunny day, a total of ten members and guests walked along the sandy beach at Barnet Marine Park.

Views of Indian Arm, Mt. Seymour and Grouse Mountain revealed how minimal the snow accumulation has been this season.

After the walk, three swimmers entered the cool refreshing water of Burrard Inlet for a brief swim, followed by.

Everyone enjoying a delicious lunch at the Hop'n'Vine Pub.

Thanks to Jaque, Winnie and Yoko for the excellent photos.
