**Yoko Matsuda**

Beginning at the Derby Reach Park heritage area, we completed the four kilometer wooded Houston Trail loop (named after the first homesteader).

The main path then proceeds east along the Fraser River, passing farms and large manor houses. This section is also part of the Trans Canada Trail,

Great Trail, and Canyon to Coast Trail. At Fort Langley village, the group enjoyed exploring its many unique shops before heading back to our starting point.

Thanks to Jacques and Amit for driving, and Yoko for the photos.
