## Baden Powell Trail (Brothers Creek to Cypress Bowl Yew Lake), July 11, 2024

It was a warm, sunny hiking day. There were 8 hikers on this session of Baden-Powell Trail (Brothers Creek to Cypress Bowl Yew Lake) hike.

Baden-Powell Trail is a magnificent 48-kilometre route stretching from Deep Cove in North Vancouver to just shy of Horseshoe Bay in West Vancouver. This time we hiked from Brothers Creek to Cypress Bowl Yew Lake. This session of the BP trail was long and mostly uphill, but it is not that steep an angle. We started our hike at 9:15am and reached Yew Lake at around 1:45pm and had a relaxing lunch break. After lunch, we retraced back and finished our hike at around 5:15pm.

Our 2024 BP trail project report: As of today, we have now hiked from Cate's Park to Yew Lake of Cypress Bowl. One more session to go to complete our BP trail hikes (round-trip). Our BP project will end at Eagle Bluff instead of Horseshoe Bay as the last session involving rock climbing and scrambling. Easy to get injured. .

Many thanks to our team for a fun hiking day:
