to me

Hi Nik,

This is my Iona beach hike Trip Report.  
Please use all of Gerard's pictures.

For my first hike as hike leader, I decided to go somewhere the club hadn't been to in 8+ years. That's how I chose Iona beach Regional Park, a place I really love to bike to. So 9 hikers, including a first time BOC member, made the local trip to this lovely park. It was a very unconventional hike, mostly on the beach, for our club however I got positive feedback from the participants who liked the experience. We did a 6km loop of the natural jetty then we headed to the Iona jetty and made it to the first wind shelter. I just wish the weather would have cooperated a little but all in all it was a fun hike. The club atmosphere and camaraderie were very present. So, for me, as a hike leader, the ice is broken and I can't wait to lead my next hike. A very warm thank you to all who attended.
