

Norvan Falls ~ June 28, 2020

It was a perfect hiking day – not too hot, not too cold with blue sky.

There were 11 of us. We met at the Rice Lake parking lot at 9am . Enjoyed our easy walk along the creek side of Cedar Mills Trail. Took a coffee/tea/water break by the river. Then continue on to our destination of the day. Arrived at Norvan Falls at 1pm. Good timing for our lunch. After lunch, retraced the same route back to parking lot by 4:30pm.
