

BOC NUMEROLOGY FUN

From Feb 2nd, 2020, Everything Starts Going Uphill – Why is 2.2.2020 One Enchanted Date

[Novosti online](#) | 01. februar 2020. 20:25

The series of numbers 2-2-2-2 happens not so often in a thousand years*, so there's a belief that this magic is not to be missed. New magical spheres of our lives could be revealed.

According to numerologists, this day is truly magical for a woman's energy. It begins to change in accordance with the unique feminine energy and intuition.

Since it is filled with Jupiter's energy, February 2 will bring men a good energy flow, but women will have the support of the Universe in creating the true and wonderful miracles during this day. It is only important that you seize the moment and channel that energy in the right way.

A few days before the magical February 2, it is possible that you will be filled with apathy, and fear of change, but this mood will quickly leave you.

Here's how to best use the magic of the 2.2.2020. in this year, and series of numbers 2-2-2-2:

1. It is the perfect day to visualize, dream and wish. Imagine that your wishes have come true, make them aware and awake your senses. Visualization will have great power on this date.
2. Forgive everyone who has hurt you in the past, and allow them to leave your memories and soul. You don't need more people and toxic emotions that burden you. Now it is essential that you purify your soul.
3. Release the negative feelings, and be ready to ask for forgiveness. Purify your karma.
4. Throw out envy, jealousy, and choose the means on your way to success.
5. Help others, support them, and create positive actions.

Remember: 2.2.2020. in this year, may be the day of a fresh new start, or a step towards life you wished and projected.

*BOC Webmaster's input:

Lucky dates were on 02.02.2002, 20.02.2002., and 22.02.2002.

So, if 02.02.2020 is not a lucky date for you, it does not matter!

For 18 days there's another chance on 20.02.2020, and then in 2 more days another chance for hyper-happiness 22.02.2020 (one more 2 in the series, five-twos: 2-2-2-2-2).

If we take into the account, the average human life is less than 100 years, 02.02.2022, 20.02.2022, and 22.02.2022. (six-twos: 2-2-2-2-2-2), are all reachable candidate dates for happiness.

For grand-grand-kids year 2222 may not be too far away for happiness, too.

BOC Webmaster's conclusion: live every day fully, as it is your lucky day – and it will feel like it is your really lucky day!
