

Derby Reach Regional Park: February 23, 2025

Yoko Matsuda

Mon, Feb 24, 8:00 PM (2 days ago)

to me, Jim

Despite a forecast of heavy rainfall, not a single drop fell as three BOCers and one guest completed the 14 km Fort-to-Fort trail.

At Edgewater Bar, we passed by waterfront campsites as the path led east along the Fraser River. Mountain views included Golden Ears and Mt. Baker.

At Fort Langley, people explored the village and its bustling shops as the sun came out.

Thanks to Yoko for the fine photos.

Jim McCavour
