

## Lighthouse Park: October 22, 2023

**Jim McCavour**

to me

8:31 AM (20 minutes ago)

Beginning outside the park, we began walking at Stearman Beach. After stopping at the beach at Pilot Cove and visiting Caulfield Park, the group proceeded to Trail of the Giants. Towering ancient cedar and fir trees still thrive here, and elsewhere inside Lighthouse Park. At Shore Pine Point we had fine views of Bowen, Passage and Gambier Islands.

Thanks to David, Catherine and Jacques for driving.
