

Belcarra Park - Jug Island. ~ October 10, 2022

What a lovely, sunny day we had. We had 22 happy and energetic hikers (BOCers + guests) signed up for this outing. There were 12 hikers car pooling from Burnaby City Hall parking lot at 9am and headed to Belcarra Park. Arrived at 9:40am and met the other 10 hikers. We were divided into two groups. One group hiked the Jug Island first and the other group hiked the Burns Point first. Thanks to Lina for leading the other group.

For our group, we started our hike to Jug Island and reached the beach at Jug Island at 10:30am. Back to Belcarra picnic area for lunch. We met our other group at the lunch area. Then our group headed off to Burns Point. It was a busy day on the trail or at the park. At 4:00pm, we reached our parking place and felt great with our five-hour outing.

Thanks to Ingrid, Monisha, and Su-Jane for driving.
