Diez Vistas hike, September 30, 2023

There were 13 BOC members and 1 guest on this beautiful Diez Vistas (in Spanish, Ten ViewPoints Trail) hike. We had perfect weather for this hike: sunny, low 20s with a little bit of breeze to cool us down.

Started at 9am from the Buntzen Lake parking lot. We reach our Vistas #1 at 11am. What a view. After hiking through all 10 Vistas plus one 'pre-view', we all voted Vistas #1 as the most beautiful one. We took our time to complete this hike. At 4pm, we arrived at the parking lot and felt content. Life is good.

Thanks to our drivers: Ljlanan, Eileen and Jacques
And thanks to Ljiana for leading the faster group
