

Crescent Beach Walk
Sunday, May 1, 2022

We have 7 members came out for this event. We met at 139A street between 22 Avenue in Surrey at 10 am. We started to walk this trail called "no name trail." It is only for local people who live in the area. As we strolled along, this trail has a name called "Sandy Trail" toward Crescent Park. We came across the railway tracks and saw some beautiful houses along the way. We took a short break at the park then we continued our walk to Crescent Beach. We had our lunch break about an hour. We started to walk around the area, and we enjoyed the scenic with a beautiful weather. At last, we stopped by the Galletto ice cream store. Inside this store, they have different varieties of ice cream. After we finished our flavors ice cream, we headed back to our cars. The distance for this event was 17.29 km. We were very impressed and enjoyed

this outing.
